

GLOBRACK
Steel Forming & Construction
Delivering Steel For The Future

ABOUT US

GLOBRACK is the leading authorized distributor for metal industries and contracting in Egypt and the Arab World. We are a valuable source for providing Steel Forming & Construction products of different shapes and sizes , tailored specifically to your business needs.

Our head office located at the heart of Cairo with more than 20 employees makes it easier to reach out for our customers. With more than 30 years of experience in the Egyptian market.

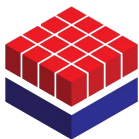

ABOUT US

- **Vision**

To be a trusted leader in the sale, service and installation of contemporary office filing and warehouse storage solutions that inspire ease of work life and optimize the business environment.

- **Mission**

We are committed to providing complete filing system and industrial storage solutions to fulfill our customer's current and future needs. We deliver high quality – cost effective products, superior customer service, and timely delivery to create value for our customers and earn their respect and loyalty. Our purpose is to make a meaningful contribution to office and industrial storage solutions and records management for our customers.

ABOUT US

Values

- Our values are our touchstone, guiding the selection of corporate strategies and behavior with our clients, associates, business partners and each other as we carry out our mission.
- We are ETHICAL and FAIR in everything we say and do.
- We demonstrate APPRECIATION and show RESPECT for each other and our customers. We PROBLEM SOLVE and WORK HARD to gain our customers TRUST and are HUMBLE in our acknowledgement of their choice to do business with us.
- We LISTEN to UNDERSTAND our customers' needs to ensure we exceed their expectations.
- We are DEDICATED and MOTIVATED to create a positive working environment.
- We CELEBRATE success and RECOGNIZE achievements.
